Amended Important Notice

Club and Unit Meetings During Covid-19

Dear Ill. Sirs and Nobles;

Due to new information we have just received, please be advised Gizeh Shriners has rescinded the face to face Club and Unit Meetings.

Face to face Club and Unit meetings cannot be held until further notice.

We are hopeful that we will be able to hold the Election of Officers and AGM as scheduled, however this may change as well. Conditions are changing daily. I will certainly do my best to keep everyone updated on the issues the best I can.

We apologize for any inconvenience this may have caused. Please be safe and if you have any questions, please contact the Recorder's office.

Sincerely and Fraternaly,

Darwin Marsh, P.P.
